Our Nonprofit Cause

Mission to Rebuild, Inc. nonprofit organization is currently a small, dormant institution. Its objective is to build green technical and trade schools worldwide. The first project, however, is a green, smart campus. The curriculum (majors/minors) will be in the traditional Arts and Sciences, to find or cure disease.

Our Value Promise is for:

Renewable Energy Attribute Issuers

Global Public Participation

Small Businesses

Private Industry

Investment Bankers

Governments

Academic Institutions

Charities

Short-term and Long-term Investors

Spiritual and Religious Organizations

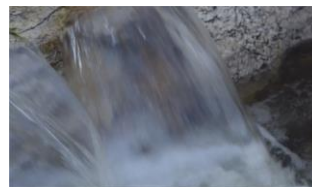

Foundations

Families

College Students

Blue-collared Workers

Guardians
